

Module 2: Project Design and Management

LU: "EU projects - EU opportunities for the development and funding of social enterprises (No 5)"

WBL Activities

Partners: Programma Integra Italy, and Ballyhoura Development CLG, Ireland

WORK-BASED LEARNING (12 Hours)

The proposed activities might be implemented individually or in groups of learners that implement the WBL part of their training in a social enterprise.

During your time spent in a Social Enterprise identify a need which could be resolved through funding by EU programs. Please, follow the steps given below:

1. Identify under which policy area this need falls, what is the target group that it is addressed and what kind of activities should be implemented to address this need
2. Visit the EU Portal for accessing the funding programs
3. Select all those programs that the aims, specific objectives, activities and priorities match to the needs of the SE
4. Read each programs' outline and see the specific criteria for submitting a proposal in each one of them
5. Select these (may be one or more) that the SE is eligible to participate.
6. Download the guide for submission for this/ those program/-s
7. Identify the other criteria that need to be met so as to proceed with the proposal submission
8. Register the SE in the EU Portal (if it is already registered then, login)
9. Go to the Funding and Tenders page and select the program/-s to which you would like to submit a proposal
10. Download all the relevant material (templates, mandates, annexes, etc.)
11. Declare the organizations' interest in finding partners (if needed) by entering the organizations' profile in the specific field
12. Check the other organizations that seek for partners within the framework of this call
13. Check other elements for submitting a proposal like deadline of submission, budget, number of partners, etc.
14. Make a short report for the SE manager presenting the program, its aims, objectives, activities foreseen, deadline, budget etc. accompanied by the criteria needed for a successful submission.
