Before you Write a Proposal

Proposal Lifecycle Theory

Submitting Proposal Checklist

Remember

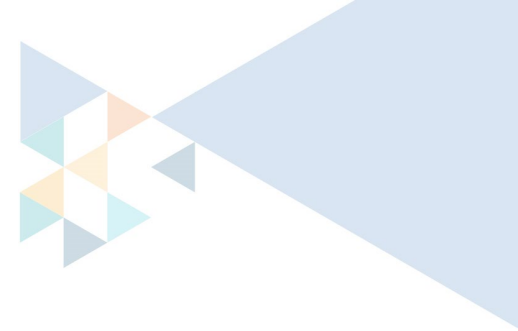

- Check does your project fit the programme you are applying for
- Do a cross match between your activities/actions and those key issues in the call for proposals

Remember

- Check do you meet all the eligibility criteria—enough partners, big/small enough budget
- Have you all of the documentation completed

Remember

- Are your finances correct?
- Have you matching funding?

Thank you for your attention
