Social Impact Assessment

LU16: Communicating Social Impact to key stakeholders

Partner: University of Rome "Tor Vergata"

WBL Activity

WBL Activity (12 hours)

Make an online research and download three social impact reports from three Social Enterprises of your choice. Then read them and verify whether and how the report follows the social impact reporting principles:

- a. Completeness;
- b. Relevance;
- c. Transparency;
- d. Neutrality;
- e. Period competence;
- f. Comparability;
- g. Clarity;
- h. Truthfulness and verifiability;
- i. Reliability;
- j. Autonomy.

At the end of this exercise, having highlighted the reported weaknesses or gaps (if any) in terms of social impact reporting principles, please develop three recommendations that help the organisation better design and develop its impact report.
